Will power

Feb 22, 2022

Session 1

I. three session in brain
   1. I need to
   2. I dont want
   3. I desire
II. 2 systems
   1. Internal controlling point
   2. Control (Long term) VS irrational
   3. meditation =train will power , just like training muscle

   will power helps people to think before act

   Threat can be classified as internal and external
   And willpower is similiar to Glucose
   More energy resource ==More rational to make decision

   Sleep + train. , Decrease pressure

Session 2

I. Willpower = muscle
   Choice are fetched by framing effect and anchoring effect , Think Fast and slow has deeply elaborated
II. Moral License :
   Something good and leads people to act bad 放蹤

   System 1 —Feel nd instinct
   That’ s why people always overstate the reality comparing with their ideal , always (Unrealistic)
III. Halo effect : First impression effect

   Just always FEEL

Session 3

I. Dopamie。— feel satifisied —- addicted —Encouragement system

   The dog of Pavlov

   free and food are the most incentive to people

   Sample , incentive people to buy it
II. Gift and punishment
   Stress—-eat snacks / Junk Food and follow system 1 , make short decision and can't persist with his goal , become 庸俗

   血清素—Relieve pressure and decrease dopamine

   Big brand — Goodwill —more likely to satisfy

III. 破窗效應

1. First action , leader others to imitate
   As people think the responsibility will be spreader and mainly concentrated into the leader

   First taste ===Fail plan====Eat trash/Junk food
   Solution, take it nature and just say it is normal

Session 4

I. People wil discount their future because they can't predict the future, future is uncertain

   make a decision _____take a deep breath and concentrate on yourself ,feel yourself
   Just like Marshmallow test
II. People tend to avoid loss and tend to certain the gain

   Compare the Ideal self and future self , check the difference between both

   Willpower can be transfer , as affected by the leader

   people will imitate others as social inluence and peer pressure

Session 5

I. White Bear effect

1. Ironic rebound , you prohibit something, something will become. Taco wanna listen yourself and no think or transfer your concentration
2. Mind is a cloud , which floated by wind
